

Karaoke Amplifier HS-8200KA

Specifications

- Use ECHO+DELAY Reverb Effects
- Can connect karaoke processor
- Double Pre Reverb design, ease of tuning use
- With nine band key control function
- Automatic music and mic volume setting
- Limit output control, with RF remote control
- Class AB parallel design, it can connect 6Ω-8Ω speaker
- With multiple protect circuit, to assures years of use

Technical parameters

Model:	HS-8200KA
Output power(8 Ω):	220W*2
CEN/Surround output:	-----
MIC Frequency:	40Hz-16KHz
Music Frequency:	20Hz - 20KHz
THD:	≤0.02%
SNR:	≥85dB
Input circuit:	Class AB
Audio Input:	4 Group
Subwoofer Input:	-----
Dimensions :	430 x 360 x 145mm
Gross Weight:	12.6KG
